BUSINESS INTERIORS

"Arc Business Interiors Limited was appointed by Cosworth to redesign our reception, meeting room, toilet, kitchen and auditorium. Our current facilities had become outdated and we needed to improve our front of house image with our return to the Formula One arena. The results speak for themselves, the support we received with design, project management and budgetary control was first class, the new space has received acclaim both externally and internally within the business and we have already engaged Arc for future works"

Steve Hickson, Group Facilities Manager
