DANWOOD

BUSINESS INTERIORS

"The Royals project in Manchester was as far away from a typical Danwood fit out as possible, we closed four satellite branches and opened a 45,000ft² facility. The commitment demonstrated by Arc's design team enabled us to deliver exactly what we wanted to achieve, a stunning environment that delivered on all fronts, the project management over the 10 week programme was exceptional, we had constant communication throughout the process and we were guided through every stage by the project manager and site leader. Working within an already occupied multi tenancy building was one of our main challenges but again Arc worked with our new neighbours with thorough professionalism. We have now worked with Arc for over 5 years and they have completed many projects, our relationship goes from strength to strength and they are a critical part of our expansion process"

Jonathan Parish, Group Business Development Manager

Full turn key solution including partitioning, decoration, flooring, lighting, furniture, internal & external signage and manifestation

Project Value - £225,000
