"We have recently completed a substantial new office development in Chesterfield and Arc have been hugely influential throughout the process. As you would expect with a large job like ours not everything is going to go perfectly but Arc made sure that the minor problems we had were sorted out with the minimum of fuss. I am delighted with our completed offices and would have no hesitation in recommending Arc"

Andy Irvine, Partner

Extension to offices including reception, open plan office, boardroom, partner's offices, canteen and bespoke wall storage

Project Value - £90,000
