FREEDOM - A SPECTRUM OF STORAGE

Uniquely designed with a clean, seamless back and a robust inter-locking construction, the Freedom range allows for complete flexibility with the added benefit of simple reconfiguration in the future.

This modular range of storage includes a wide selection of thoughtful, 'mix & match' pieces to create a bespoke storage system for your work space. Tastefully maximising space efficiency across all commercial environments, from creative agencies to financial institutions, the Freedom range can adapt effortlessly to your needs.

As a leading British steel storage manufacturer, Silverline have focused solely on creating innovative storage solutions for over 30 years providing effective, sensible & secure storage helping to organise and transform workplaces nationwide.

GREEN & LEAN

At Silverline we continuously improve our manufacturing processes and invest in new machinery. Our products are designed with sustainability & care to the environment considered, as standard.

Featuring sustainably sourced steel to significantly reduce the carbon footprint of our products, the expertly designed carcass of the Freedom range allows for easy replacement of panels should they become damaged, as well as enhanced recyclability at the end of a product's life. The entire Freedom range is manufactured with re-used material where appropriate.

Ever conscious of the impact on the environment, we are pleased to not only meet ISO 14001 standard, but also be part of the Furniture Industry Sustainability Programme or FISP developed by FIRA. FISP has rapidly become established as the industry forum on all environmental and sustainable issues. FISP focuses on not just environmental issues, but also purchasing, end of product life, social and community issues.

CUPBOARDS

The traditional styling of two door cupboards offer a solid finish with great flexibility and choice when considering internal accessories. Cupboards allow the widest variety of internal compartments and shelving options which can be reconfigured easily.

As with all products in the Freedom range, the seamless back construction allows for a clean finish when storage is cleverly used to partition open plan areas.

FEATURES

- . 15 year guarantee
- . FIRA certified
- . Swan neck style handle
- . 2 key mastered series
- . Removable lock barrel
- . Contains re-used sustainably sourced steel
- . Levelling feet as standard (factory fitted)
- . Quick release hinge as standard

THE OPTIONS

- . 10 heights to choose from
- . Also available in 900mm width
- . Increased depth for coat cupboard unit to accommodate standard coat hanger depth
- . Height adjusting cup for use with levelling feet to increase height further
- . Double skin doors available
- . Soft close hinges
- . Open fronted option available
- . Top replacement service available
- . Sloping tops
- . Glass tops
- . Planting trays - please specify if for use with live or artificial plants (plants not included)

SIDE FILERS & SLIM DRAWERS

The large drawer design of the side filer offers a great solution for multi-functional filing that is especially good for foolscap lever-arch and box files as well as high density suspended filing, maximising storage capacity to the full. The drawers can also be sectioned off internally to create individual compartments depending on your requirements.

The half height slimline drawers offer the best solution for storage of technical plans and drawings, smaller media supplies & product finish swatches.

FEATURES

- 15 year guarantee
- FIRA certified
- 50kg suspension file carrying capacity per drawer as standard
- Swan neck style handles
- Undefeatable Anti-Tilt Locking Mechanism (unit must be on level ground)
- 100% drawer extension
- 2 key mastered series
- Levelling feet as standard (factory fitted)
- Slotted drawers
- Full height backs
- Removable lock barrel
- 2 & 3 drawer side filer, 4 & 6 drawer slimline units supplied with counter balance as standard
- Foolscap (FS) filing as standard
- Drawer accommodates lever arch (spine up) and box files
- Contains re-used sustainably sourced steel

THE OPTIONS

- Individually locking (side filers only)
- Same lock number
- Counter balance for 4 drawer side filer / 8 drawer slimline unit
- Drawer dividers (sold separately)
- Clip on channels to provide A4 and front to back filing
- Height adjusting cup for use with levelling feet to further increase height
- Internal, individually locking compartments (side filers only - maximum 2 compartments per drawer)
- Sloping tops
- Glass tops
- Planting trays - please specify if for use with live or artificial plants (plants not included)

SIDE TAMBOURS

The side tambour is a popular choice when corridors or designated storage areas are tight on space. A neat design where the tambour door itself retracts fully into the unit, eliminating the potential issue of doors & drawers restricting people flowing through the workspace easily.

Like the cupboards, the side tambours offer a great selection of internals.

FEATURES

- 15 year guarantee
- FIRA certified
- 2 key mastered series
- Levelling feet as standard (factory fitted)
- Integral handle design
- Blinds tested for 80,000 cycles
- Made from a minimum of 15% re-used material

THE OPTIONS

- 19 blind finishes
- 10 Height levels and 3 widths to choose from (900 wide not listed but available on request)
- Height adjusting cup for use with levelling feet to further increase height
- Sloping tops
- Glass tops
- Top replacement service available
- Finger pulls available in black, white, silver and anthracite
- Tambour shutters with 15mm profile (standard shutter profile is 30mm)
- Also available 900mm wide
- Planting trays - please specify if for use with live or artificial plants (plants not included)

COMBI:STORE

Combi:Store does exactly what the name suggests, combining cupboards, drawers and flipper style opening elements - all incorporated within one carcass. This range provides great versatility in terms of how and what you want to store. The majority of elements within a Combi:store unit can be individually locking which is a real plus.

FEATURES

- 15 year guarantee
- FIRA certified
- 50kg suspension file carrying capacity per drawer
- Undefeatable Interlock and Anti-Tilt (unit must be on level ground)
- 100% drawer extension
- 2 key mastered series
- Levelling feet as standard (factory fitted)
- Foolscap (FS) filing as standard
- Drawer accommodates lever arch (spine up) and box files
- Mixed storage compartments to avoid over provision of storage
- Quick release hinges on cupboard doors
- Contains re-used sustainably sourced steel

THE OPTIONS

- 6 Height levels and 2 widths to choose from
- Same lock number
- Divider plates sold separately
- Clip on channels to provide A4 filing sold as pairs (2 required per drawer)
- Height adjusting cup for use with levelling feet to further increase height
- Individual locking drawers
- Double skin doors (only available on cupboard doors)
- Soft close hinges (only available on cupboard doors)
- Sloping tops
- Glass tops
- Planting trays - please specify if for use with live or artificial plants (plants not included)

H:D UNITS - SWAN NECK

H:D is really the heart of the Freedom range offering a wide range of 'mix & match' solutions, perfectly suited to hot desking environments where space is a premium.

The benefit of H:D compared to Combi:store is that it includes the increasingly popular personal lockers and small personal filing drawer options, embracing the move towards the flexible office. Every element of an H:D unit is individually locking as standard making it very secure.

H:D is all about personal storage that complements effective mobile & flexible working scenarios. There are a variety of locker sizes available with a range of practical options, such as personal postal slots.

A popular selection of H:D configurations are shown on page 26, but the flexibility of this system is really in your hands.

FEATURES

- . 15 year guarantee
- . FIRA tested
- . Levelling feet as standard (factory fitted)
- . Undefeatable Anti-Tilt Locking Mechanism (unit must be on level ground)
- . 2 Key master series with folding key fob
- . Dual point locking
- . Removable locking barrels
- . Double skin double doors on personal locker compartments
- . Quick release hinges allowing closures to be removed & refitted
- . Full height back on drawers in conjunction with security plates
- . Individually locking personal drawers & doors

THE OPTIONS

- . 2 widths to choose from
- . Counter balance
- . All drawer compartments come with filing rails to allow left to right & front to back filing.
- . Choice of configurations
- . Soft close hinge
- . Postal slot (available on personal lockers)
- . Digital & mechanical tumbler locks (horizontal & vertical) available
- . Sloping tops
- . Glass tops
- . Planting trays - please specify if for use with live or artificial plants (plants not included)

- . Personal drawers
- . Personal lockers
- . Filing cupboards
- . Large personal lockers
- . Large filing cupboards
- . Full height cupboards & personal lockers
- . Full height cupboards & personal drawers
- . Full height cupboards & large personal lockers
- . Personal drawer & personal locker combinations

TECHDATA

See page 26 for tech data.

H:D UNITS - PILLAR BOX

Pillar Box H:D offers the same attributes as the Swan Neck option - the key difference is in the handle design.

The Pillar Box style handle provides an interesting design feature compared to the traditional look of the Swan Neck design.

FEATURES

- . 15 year guarantee
- . FIRA tested
- . Levelling feet as standard (factory fitted)
- . Undefeatable Anti-Tilt Locking Mechanism (unit must be on level ground)
- . 2 Key master series with folding key fob
- . Dual point locking
- . Removable locking barrels
- . Double skin double doors on personal locker compartments
- . Quick release hinges allowing closures to be removed & refitted
- . Full height back on drawers in conjunction with security plates
- . Individually locking personal drawers & doors

THE OPTIONS

- . 2 widths to choose from
- . Counter balance
- . All drawer compartments come with filing rails to allow left to right & front to back filing.
- . Choice of configurations
- . Soft close hinge
- . Digital & mechanical tumbler locks (horizontal & vertical) available
- . Sloping tops
- . Glass tops
- . Planting trays - please specify if for use with live or artificial plants (plants not included)

THE RANGE

- . Large filing drawers
- . Personal drawers
- . Personal lockers
- . Filing cupboards
- . Large personal lockers
- . Large filing cupboards
- . Full height cupboards & personal lockers
- . Full height cupboards & personal drawers
- . Full height cupboards & large personal lockers
- . Personal drawer & personal locker combinations

TECHDATA

See page 27 for tech data.

SKYLINE

The Skyline range is an ideal choice for fixed desking and private offices, acting as an extension to your personal working space, allowing both desking & storage to be grouped together within one secure footprint.

Skyline can be adapted to expand your workable area, for example, with the optional top shelf which appears as the unit is opened.

A wide selection of accessories from pen pots and letter trays to magnetic whiteboards are available for complete personal customisation.

FEATURES

- . 15 year guarantee
- . FIRA tested
- . Levelling feet as standard (factory fitted)
- . Available left hand & right hand facing (to be specified at time of order)
- . 2 Key master series with folding key fob
- . Dual point locking
- . Removable locking barrels
- . Single tool rail

THE OPTIONS

- . 2 depths to choose from
- . 5 heights to choose from
- . Postal slot
- . Multi rail option
- . Fixed pin board
- . Magnetic whiteboard
- . A4 letter trays & pen pots - with multi rail option only
- . Slim shelf for increased shelf filing capacity
- . Multi purpose shelf (330mm filing only), Upstand & Divider Kit available
- . Sloping Tops
- . Glass Tops
- . Top file frame fixed (factory fitted only)
- . Shelf & pen tray (factory fitted only)
- . Pillar Box handle design

G3

The G3 Range offers the simplicity of a pedestal combined with the added benefit of desk top personal storage. G3 is both elegant and practical, often acting as a natural divider between departments and eliminating the need for partitioning.

Open bookcases or the option of lockable side opening tambours are available in this range making it suitable for both open plan, shared storage areas or for personal areas where a more secure storage solution is required.

FREEDOM ACCESSORIES

(For use with cupboards, side tambours and combi:store units)

Our range of Freedom internals cover all of your storage requirements. These internals can not be used in any other Silverline range.

ACCESSORIES

STANDARD SHELF

On shelf filing only

- SLAPSSOW 800mm Side Tambour
- SLAPSSSD 1000mm Side Tambour
- SLAPSCOW 800mm Cupboard
- SLAPSCSD 1000mm Cupboard

DIVIDER KIT

Order Multi-purpose shelf separately

- SLADKSOW 800mm Side Tambour
- SLADKSSD 1000mm Side Tambour
- SLADKCOW 800mm Cupboard
- SLADKCSD 1000mm Cupboard

LETTER SORTER KIT

Order Multi-purpose shelf separately

- SLALSSOW 800mm Side Tambour
- SLALSSSD 1000mm Side Tambour
- SLALSCOW 800mm Cupboard
- SLALSCSD 1000mm Cupboard

MULTI-PURPOSE SLOTTED SHELF

330mm hanging centres

- SLASSSOW 800mm Side Tambour
- SLASSSSD 1000mm Side Tambour
- SLASSCOW 800mm Cupboard
- SLASSCSD 1000mm Cupboard

275MM RAIL FOR LATERAL FILING

- SLAFRSOW 800mm Side Tambour
- SLAFRSSD 1000mm Side Tambour
- SLAFRCOW 800mm Cupboard
- SLAFRCSD 1000mm Cupboard

ROLL OUT SUSPENDED FILING FRAME

- SLARSSOW 800mm Side Tambour
- SLARSSSD 1000mm Side Tambour
- SLARSCOW 800mm Cupboard
- SLARSCSD 1000mm Cupboard

NOTE: this accessory is recommended to be used at the bottom half of the unit

PLANTER TRAY

- PBFR1200W 800mm Units
- PBFR120SD 1000mm Units

COAT RAIL SHELF ADAPTER

Order Multi-purpose shelf separately

- SLACRSOW 800mm Side Tambour
- SLACRSSD 1000mm Side Tambour
- SLACRCOW 800mm Cupboard
- SLACRCSD 1000mm Cupboard

TERMS & CONDITIONS

1. DEFINITIONS

- 1.1 'Company' – Means Silverline Office Equipment Ltd., Mildenhall Industrial Estate, Mildenhall, Suffolk, IP27 7DE (company number 00901203).
- 1.2 'Conditions' – Means the terms and conditions of sale set out below and any special terms and conditions agreed in writing by the Company.
- 1.3 'Contract' – Means the contract for the sale of the Goods.
- 1.4 'Customer' – Means the entity or person that buys or agrees to buy the Goods from the Company
- 1.5 'Goods' – Means the articles which the Customer agrees to buy from the Company.
- 1.6 'Price' – Means the price quoted for the Goods but, unless otherwise agreed in writing, excluding carriage, packing, insurance and VAT.

2. APPLICATION OF CONDITIONS

2.1 All quotations given, orders accepted and all Contracts entered into are subject to these Conditions. All other written or oral terms, conditions or warranties whatsoever are excluded from the Contract or any variation thereof unless expressly accepted by the Company in writing. No servant or agent of the Company has power to vary these Conditions orally or to make any statement or representation about the Goods, their fitness for any purpose or any other matter whatsoever. If any statement or representation has been made to the Customer by the Company, its servants or agents, upon which the Customer relies (other than in the documents enclosed with the Company's quotation) then the Customer must set out that statement or representation in a document to be attached to or endorsed on the Customer's order and in any such case the Company may confirm, reject or clarify the point and submit a new quotation.

2.2 These Conditions shall be incorporated into any Contract between the Company and the Customer to the exclusion of any terms or conditions stipulated or referred to by the Customer. Any dealings with the Company following receipt by the Customer of notice of these Conditions shall automatically be deemed acceptance thereof notwithstanding the absence of formal acknowledgement.

3. QUOTATIONS AND ORDERS

- 3.1 No quotation issued by the Company shall be valid unless it is signed by a duly authorised representative of the Company. Quotations shall only be valid for the period specified therein or, if no such period is specified, for a maximum period of 30 days from the date thereof, and they may be withdrawn or cancelled by the Company at any time within any such period by written or oral notice.
- 3.2 Quotations are for the whole of the Goods for which quotations are given by the Company and the Company may refuse to accept any order which is not for all of the Goods forming the subject of the quotation. Subject to that, an order for Goods the subject of the Company's quotation that is received by the Company within the period for which the quotation is valid shall constitute acceptance of the Company's offer to supply those Goods and shall be binding on the Company and there shall be a Contract for the supply and purchase of the Goods.
- 3.3 Subject to Clause 3.2, no order shall be binding on the Company unless it has been accepted in writing by the Company, and the Company may decline to accept any order. The Company will normally accept the Customer's order using the Company's Official Order Acknowledgment form. When the Company has accepted the Customer's order there shall be a Contract for supply and purchase of the Goods.
- 3.4 No Contract can be cancelled or varied by the Customer except with the written consent of the Company. Such consent may be given, withheld or conditional at the Company's absolute discretion.
- 3.5 The Customer shall be responsible for ensuring the accuracy of any order, including any applicable specification.
- 3.6 The Company reserves the right to update and/or amend any design, specification or construction of the Goods without notice to the Customer.
- 3.7 The Customer shall be responsible for determining the suitability of the Goods for their intended purposes.

4. DELIVERY

- 4.1 The Company shall deliver the Goods to such premises as the Company shall agree in writing at any time after the Company has notified the Customer that they are ready for delivery. If the Customer requires delivery to premises other than its own premises, the Customer must confirm this in writing using the Company's Direct Delivery Request Form.
- 4.2 The Customer and the Company shall agree in writing a time and date for delivery of the Goods. The Customer shall begin unloading the Goods from the Company's vehicles within 30 minutes of the agreed delivery time. The Company shall be entitled to charge the Customer per hour or part thereof the Company's administrative charge in force from time to time for any delay in the unloading of the Goods greater than 1 hour from the agreed time of delivery of the Goods.
- 4.3 The Company shall use reasonable endeavours to deliver at the agreed time but, provided it has used such endeavours, shall not be liable for failure to do so. The Customer shall have no right to cancel any Contract for failure by the Company for any cause to meet any delivery time stated. The Customer shall not have any priority of supply of the Goods.
- 4.4 All times quoted for delivery are from the date of receipt by the Company of a written order. Alterations by the Customer in its requirements may result in delay in delivery.
- 4.5 The Company shall deliver as near as possible to the place of delivery agreed in writing by the Company so long as there exists a safe and adequate access thereto and so long as the delivery vehicle can park legally. The Customer is responsible in

all cases for providing suitable facilities for unloading, and for effecting unloading of, the delivery vehicle and shall be responsible for loss of or damage to the Goods during the course of such unloading.

4.6 Entry of any vehicle of the Customer or its agent on to the Company's premises to collect the Goods shall be at the sole risk of the Customer or its agent save to the extent that any claim arises from the Company's negligence resulting in personal injury or death.

4.7 The Company shall endeavour to comply with reasonable requests by the Customer for postponement of delivery but shall be under no obligation to do so. If the Customer requests a change in delivery date within three working days of the agreed delivery date, then the Company shall be entitled to charge an administrative fee of either 15% of the Price or the Company's administrative charge in force from time to time, whichever is greater.

4.8 If the Customer fails to take delivery of all or part of the Goods, the Customer shall pay the Company all costs and expenses arising from such failure including without limitation a reasonable charge for storage, insurance and transportation costs and an administrative charge of either 15% of the Price or the Company's administrative charge in force from time to time.

4.9 The Company reserves the right to charge for carriage. In these instances the Customer will be notified in advance.

5. RISK AND TITLE IN GOODS

- 5.1 Risk of loss of, damage to or deterioration in the Goods shall pass to the Customer:
- 5.1.1 on delivery if the Company delivers the Goods in the Company's standard packaging; or
- 5.1.2 if in accordance with the Customer's request the Company delivers the Goods in packaging other than the Company's standard packaging or if the Customer collects or arranges for collection of the Goods, at the time when the Goods leave the premises of the Company.
- 5.2 Title to the Goods or any relevant part thereof shall only pass to the Customer once all sums (including interest) which are due to the Company from the Customer in respect of the Goods and under any other contract have been received by the Company. Until then, title shall remain with the Company.
- 5.3 The Customer grants the Company, its agents and employees an irrevocable licence to enter any premises where the Goods are stored to inspect the Goods, or, where the Customer's right to possession has terminated, to recover the Goods.
- 5.4 Until such time as the title in the Goods passes to the Customer, the Customer shall keep the Goods separate from those of the Customer and third parties and properly stored, protected and insured and identified as the Company's property.
- 5.5 The Customer may, before title has passed to it, use the Goods or resell the Goods on its own behalf in the ordinary course of its business at full market value and, if it does so, shall hold the payment for such Goods on trust for the Company. Such rights may be terminated immediately upon written notice by the Company to the Customer, and, if the Customer is then in possession of the Goods, the Company may at its sole discretion (a) direct the Customer to forthwith return such Goods to the Company at the Customer's expense or (b) recover such Goods.
- 5.6 If, before title in the Goods has passed, the Customer becomes insolvent, makes or attempts to make any arrangement or composition with its creditors, or enters into liquidation, or a receiver, administrator or administrative receiver is appointed over the whole or part of its undertaking or assets then the Company shall be entitled to recover the Goods.
- 5.7 The Customer shall not be entitled to pledge or in any way charge by way of security for any indebtedness any of the Goods which remain the property of the Company.

6. PRICES

- 6.1 The Customer shall pay to the Company, in addition to the Price, all costs and charges relating to carriage, packing, insurance and VAT ('the Costs and Charges').
- 6.2 The Company may, in the event of (a) any increase in the cost of labour, materials, overheads, transport, taxes, duties or any other costs whatsoever associated with the manufacture or delivery of the Goods and/or (b) any fluctuations in exchange rates affecting the cost of imported Goods or prices quoted other than in sterling, vary the Price of the Goods agreed in the Contract and/or the Costs and Charges.
- 6.3 If any alteration or modification in design, quantity, specification or other requirements in the Goods requested by the Customer is accepted by the Company, the Company shall be entitled to make an adjustment of the Price corresponding to such alteration.
- 6.4 Where the Price includes the whole or part of the cost of any tooling the Customer acknowledges that unencumbered and exclusive title in such tooling shall have vested in the Company and that the Customer has no claim to or rights therein.

7. TERMS OF PAYMENT

- 7.1 Unless otherwise agreed by a duly authorised representative of the Company in writing the Customer shall pay the Price and the Costs and Charges within 30 days of the date of the Company's invoice. The time for payment of the Price and the Costs and Charges shall be of the essence of the Contract.
- 7.2 The Company shall submit its invoice on or at any time after the despatch of the Goods from the Company's premises, save that where delivery or performance has been postponed at the request of or due to the default of the Customer, then the Company may submit its invoice for the Goods at any time after the Goods are ready for delivery or would have been ready in the ordinary course but for the request or default of the Customer.

7.3 All payments shall be made to the Company in sterling (or in such currency as has been otherwise agreed in writing) at the address shown on the Company's invoice. Where Goods are delivered by instalments the Company may invoice each instalment separately and the Customer shall pay such invoices in accordance with these Conditions.

7.4 The Customer shall pay all amounts owing to the Company in full without any set off, counterclaim or other deduction.

7.5 Any failure by the Customer to pay any sums due and payable by it under the Contract when due shall entitle the Company to:

- 7.5.1 suspend without notice deliveries of Goods under this or any other Contract with the Customer for so long as the default continues; and/or
- 7.5.2 treat this Contract as repudiated by the Customer; and/or
- 7.5.3 cease to fulfil further orders placed by the Customer until payment in full of the outstanding amount has been received; and/or
- 7.5.4 recover the Goods; and/or
- 7.5.5 amend its terms of payment for future delivery of the Goods; and/or

7.5.6 charge the Customer interest both before and after any judgment (calculated annually but accruing on a daily basis) on the amount unpaid, at the rate of 8% per annum above the base rate of Barclays Bank Plc from time to time, until payment in full is made.

8. Short Delivery and Defects Apparent on Inspection

8.1 The Customer shall have no claim for shortages, defects or other damage apparent on visual inspection unless the Customer:

8.1.1 inspects the Goods within 3 working days of arrival at its premises or other agreed destination and notifies the Company of the claim orally within such period; and

8.1.2 makes a written complaint to the Company and to the carrier (if applicable) within 7 days of receipt of the Goods or such shorter period as the carrier's conditions require specifying the shortage, defect or damage; and

8.1.3 gives the Company a reasonable opportunity to inspect the Goods and investigate any complaint before any use of or alteration to or interference with the Goods.

8.2 If the provisions of Clause 8.1 are not complied with then the Goods shall be deemed to be in all respects in accordance with the Contract and the Customer shall pay for the same accordingly. If short delivery does take place, the Customer shall not reject the Goods but shall accept the Goods delivered as a part performance of the Contract.

8.3 The Customer shall have no claim for non-delivery unless a written complaint is made to the Company and to the carrier within 3 days of the date of the Company's corresponding invoice or advice note or such shorter period as the carrier's conditions (if applicable) require.

8.4 If the Company is satisfied that the defect or damage notified in accordance with Clause 8.1 is not due to damage in transit or due to the acts or omissions of the Customer or any third party, the Company shall at its option repair or replace free of charge and within a reasonable time any Goods lost in transit or found to be defective or damaged on visual inspection. The Customer shall accept such repaired or replacement Goods and the Company shall be under no further liability in respect of any loss or damage whatsoever arising from the initial delivery or lack of delivery or from any delay before the defective Goods are repaired or the replacement Goods are delivered. The Company may, within 14 days of receiving written notice of the damage or defect in accordance with Clause 8.1 (or 30 days if the Goods are situated outside the United Kingdom) inspect the relevant Goods. If, in the Company's reasonable opinion, such defect or damage is due to damage in transit or due to the acts or omissions of the Customer or any third party, the Customer shall be liable for all costs and expenses incurred by the Company in investigating the Customer's complaint concerning the Goods and the Company shall have no liability for the defect or damage.

9. WARRANTY

9.1 The respective warranty periods for different Goods and parts thereof shall be as set out the Company's sales brochure current at the time that the Contract is entered into ('the Warranty Period'). The Company warrants that the Goods and/or the parts of the Goods will, for the applicable Warranty Period starting from the date of delivery, when properly stored, transported, installed and used, accord with any specification specifically agreed by the Company in writing. All other representations, warranties or conditions as to quality, description, fitness for purpose or otherwise (whether express or implied, statutory or otherwise) are excluded to the fullest extent permitted by law.

9.2 If the Goods or parts of the Goods do not comply with the warranty in Clause 9.1, the Company shall at its option repair or replace free of charge and within a reasonable time any such defective Goods or parts thereof. The Customer shall accept such repaired or replacement Goods or parts thereof and the Company shall be under no further liability in respect of any loss or damage whatsoever arising from the breach of such warranty.

9.3 The Company may, within 14 days of receiving written notice that the Goods do not comply with the warranty in Clause 9.1 (or 30 days if the Goods are situated outside the United Kingdom) inspect the relevant Goods. If, in the Company's reasonable opinion, the Customer is unable to establish breach of such warranty, the Customer shall be liable for all costs and expenses incurred by the Company in investigating such alleged breach.

10. LIABILITY

10.1 Under no circumstances shall the Company be liable, for breach of contract, in tort (including negligence) or otherwise, for any loss of profit, revenue, savings,

goodwill, business or other financial loss of any kind, or for any indirect or consequential loss whatsoever arising out of or in connection with the Contract.

10.2 If, in spite of provisions in the Contract which purport to exclude or limit the Company's liability, the Company is found liable, then the Company's liability, for breach of contract, in tort (including negligence) or otherwise, shall be limited to the sums paid for the Goods in connection with which such liability arises.

10.3 Nothing in the Contract shall operate to exclude or limit the Company's liability for death or personal injury resulting from the negligence of the Company, or for the breach of the Company's implied undertaking as to title, or otherwise in so far as the Company's liability may not lawfully be limited.

11. INTELLECTUAL PROPERTY

11.1 The Customer shall indemnify the Company from and against all actions, claims, costs and proceedings which are brought or threatened against the Company by a third party arising from the manufacture of the Goods to any drawing or specification supplied by the Customer.

11.2 Copyright, design right and all other rights in all designs, specifications, drawings, documents, and other items and information supplied by the Company are reserved to the Company. In particular, but without limitation, all copyright, design right and other rights in and relating to any of the foregoing produced by the Company specifically for the Customer shall belong to and vest in the Company absolutely and exclusively. The Customer shall not reproduce, sell, loan, exhibit, publish or give away any such designs, specifications, drawings, documents or other items or information without the prior written consent of the Company and the Customer shall not use them in any way except in relation to the Goods in respect of which they are issued.

12. FORCE MAJEURE

The Company shall not be under any liability to the Customer in respect of any failure to perform or delay in performing any of its contractual obligations to the Customer to the extent that such failure or delay is caused by circumstances beyond the Company's reasonable control, including without limitation any failure on the part of any supplier to the Company to discharge its obligations to the Company on time.

13. TERMINATION

13.1 The Company may terminate the Contract by written notice to the Customer having immediate effect if:

13.1.1 the Customer becomes insolvent, makes or attempts to make any arrangement or composition with its creditors, or enters into liquidation, or a receiver, administrator or administrative receiver is appointed over the whole or part of its undertaking or assets; or

13.1.2 the Customer fails to pay when due any sum payable to the Company under the Contract.

13.2 Termination of the Contract shall not affect any right or obligation of either party accrued prior to termination.

14. MISCELLANEOUS

14.1 Any notice required or permitted to be given by either party to the other under these Conditions shall be in writing addressed to the other party at its registered office or principal place of business. Notices served by fax will be deemed received when sent, subject to issue of a valid transmission slip. Notices served by post will be deemed received 2 business days after posting. Notices served from outside the UK must be sent by fax.

14.2 If any provision of the Contract is held by any competent authority to be invalid or unenforceable in whole or in part the validity of the Contract and the remainder of the provisions in question shall not be affected thereby.

14.3 Nothing in the Contract is intended to confer any benefit on any third party, whether pursuant to the Contracts (Rights of Third Parties) Act 1999 or otherwise, and no third party shall have the right to enforce any rights under the Contract, except where otherwise agreed in writing.

14.4 All rights and remedies of the Company under or in relation to the Contract are cumulative and exercise of any such right or remedy shall not preclude the exercise of others.

14.5 Any waiver by the Company of any breach by the Customer of any provision of the Contract shall not be deemed to be a waiver of any later breach or default and shall in no way affect the other terms of the Contract.

14.6 The Customer shall not assign any or all of its rights or obligations under the Contract.

15. LEGAL

The Contract shall be governed by and construed in all respects in accordance with the Laws of England and the Company and the Customer hereby irrevocably submit to the exclusive jurisdiction of the English Courts in respect of any controversy or claim arising out of or in connection with any Contract.

Note: Some colours are subject to an additional surcharge. See Retail Price List.
