ENSA

Ensa tables create a stunning centerpiece in any environment. The polished aluminium leg frame adapts to support virtually any size and shape of top in toughened glass, laminate and veneers.

The triangulated legs are beautifully detailed, and the steel cables achieve a solid stability that defies its minimal looks. The **Ensa** toughened glass collection features UV bonded tops in clear, etched and back painted finishes.

The **Ensa** collection includes leg frames designed to support a wide range of circular tops.

Shown - **Solo Credenza** in white laquered ash veneer.
