

TABLES

OXFORD

Tula

SIMPLE | SOLID | FUNCTIONAL

Shown Below – **Stak** storage display and room divider.

OXFORD

A classically inspired table with a clean linear design, **Oxford** boasts simplicity and striking form, with solid hardwood legs in any timber or painted finish, and an inset chrome frame. With bold thicknesses, accompanied by classic design features, this table is at home in any environment.

The **Oxford** table is designed with functionality in mind, the table leg can be specified with a hidden cableway that takes cables safely and invisibly to a connections module that can be fitted in all top types.

SIMPLE | SOLID | FUNCTIONAL

As an alternative to veneer and laminate, **Oxford** can be specified with a toughened glass top in a range of finishes, including etched glass, and back-painted in any colour.

The **Oxford** legs are solid hardwood which can be polished to emphasise the natural timber, or lacquered in any colour. A concealed cableway can be specified for feeding power and AV cables.

The **Oxford** table with floating black glass top and white lacquered legs, with chrome rail. Shown with the **Oxford** storage & display unit in black glass, chrome and white lacquered frame, with adjustable shelves.

In addition to the extensive range of timber tops, **Oxford** is available in one of our stunning textured rustic finishes, in laminate or veneer.
